

Life in the Labyrinth – Chapter 7 – Part 1

- 7:04 [maccage2](#): 93 Bonnie Cage here
- 7:10 [mollymidway](#): The Underhills originated in middle earth The Shire » sort of
- 7:10 [silverdale](#): ???
- 7:11 [sinhog](#): jk
- 7:11 [silverdale](#): got it
- 7:11 [mollymidway](#): it was a name David mentioned
- 7:15 [lornaallan](#): Hi
- 7:16 [lost_horizon](#): Hi, Lorna
- 7:21 [mollymidway](#): this sounds really cool, George, the way you describe it. ty silverdale
- 7:21 [silverdale](#): yw
- [auriah](#): hi All, I'm Here!
- [hawklady](#): i agree, it's great, never thought of that way » hi au
- 7:22 [lost_horizon](#): Hi, Auriah
- 7:22 [mollymidway](#): glad you made it
- 7:22 [auriah](#): I did!
- 7:23 [mollymidway](#):
- 7:25 [sinhog](#): Going mad ,, getting trapped in another Dimension
- 7:25 [mollymidway](#): david wants us to say something about why the mystic vision is dangerous
- 7:26 [hawklady](#): i second 'going mad'; 'fear' of the unknown.
- 7:26 [mollymidway](#): feeling trapped by not being able to communicate it to mom and dad, and being sent away as mad
- 7:26 [muspelspark](#): conflict from identification with darkness, resistance to awakening

- 7:26 [lost horizon](#): danger due to reactions from the primate host
 - 7:27 [sinhog](#): well put ,, LH
 - 7:27 [muspelspark](#): not being able to communicate
 - 7:27 [maccage2](#): It seems that some of the danger is simply learning to balance this physical reality verses learning to navigate the bardo . . .
 - 7:27 [hawklady](#): fear of the responsibility that will come with it
 - 7:27 [lost horizon](#): (is there an objective danger, that is not only due to the primate?)
 - 7:27 [mollymidway](#): panic is the primary danger » people really do freak
 - 7:28 [maccage2](#): I have found that as I go through various transitions i hurt myself more, bump into things, spatial relationships seems different » various'
 - 7:29 [hawklady](#): it's hard to stay grounded after such travels
 - 7:30 [mollymidway](#): me too, i get clumsy and feel very close to death...dizzy symptoms of all kinds.
 - 7:30 [lost horizon](#): (Molly, Georg Cantor had the same problem.. sent away because others didn't understand) (mathematician)
 - 7:30 [mollymidway](#): i have to slow way down and reoriented to the biology form
 - 7:30 [auriah](#): we hold it, the experience, learning the way and a new path on the map, until someone else needs it, and asks
 - 7:30 [maccage2](#): hold the space
 - 7:30 [hawklady](#): sence
 - 7:31 [mollymidway](#): that's a great attitude auriah
- » yes, hold the space...hold it together. the space is us
- 7:31 [silverdale](#): well said Auriah
 - 7:31 [mollymidway](#): ty bonnie
 - 7:31 [auriah](#): the gained knowledge, clarity and you become the guide for someoneelse.

- 7:32 [mollymidway](#): at least there's that...it becomes easier to guide if it happened to you too
- 7:32 [lornaallan](#): Simple things such as dialing a phone or opening a lock can seem very difficult
- 7:32 [mollymidway](#): people are a lot more the same than they are different -- from each other
» yes, lorna, there's a helpless feeling there. bewilderment
- 7:33 [silverdale](#): It's a function of diffusion or concentration of Attention and Presence ...
- 7:34 [auriah](#): yes lorna, been there too
- 7:34 [silverdale](#): Where our center-of-gravity is or how well we can balance opposite ends of the Being Spectrum ...
- 7:37 [auriah](#): oh yes!
- 7:37 [mollymidway](#): (lost horizon, i'll look up george cantor. ty
- 7:38 [simmontemplar](#): In that description is where we are , the monkey's case,indeed David
- 7:44 [starshaper](#): Oracles,and shamen voyaged for the benefit of all, their communities.
- 7:53 [piandjo](#): finally made it--auto mishap
- 7:54 [silverdale](#): Wah! Piandjo
- 7:54 [hawklady](#): hi
- 7:55 [piandjo](#): just got here
- 7:55 [mollymidway](#): hi Piandjo, perfect timing
- 7:55 [piandjo](#): the tree of life
- 7:55 [lost_horizon](#): nice
- 7:57 [piandjo](#): ain ,ain soph, ain soph aur--the three veils of negative existence, out of which the creation forms at Kether.
- 7:57 [lornaallan](#): For service? » Creating?
- 7:59 [silverdale](#): Thanks David and Ivan for another great evening of "deliberation" and "contemplation" ...

- 8:00 [piandjo](#): >> maybe the Absolute needs a few extra hands..
 - 8:00 [mollymidway](#): To be continued....
 - 8:00 [lost_horizon](#): Thank you all
 - 8:00 [mollymidway](#): good nite all
 - 8:00 [sinhog](#): thanks all
 - 8:00 [piandjo](#): Thanks everyone.
 - 8:00 [nortiana](#): thank you all
 - 8:00 [hawklady](#): thank you David, Ivan and group
 - 8:01 [susankester](#): good night and thank you
 - 8:01 [simmontemplar](#): Thanks to All, ...from the Heart of the matter. Good night
 - 8:02 [auriah](#): I'd love to read it
 - 8:03 [lost_horizon](#): Can post on Wings of Chaos and post a *** on FB
 - 8:03 [sinhog](#): *** = L.I.N.K.
 - 8:03 [lost_horizon](#): sorry
- » forgot about that
- 8:03 [sinhog](#): np
 - 8:03 [lost_horizon](#): JTV censors... lol
 - 8:03 [sinhog](#): ha
 - 8:03 [hawklady](#): anyone sending the log to David?
 - 8:04 [auriah](#): yes
 - 8:04 [lost_horizon](#): nandi-like coils of occlusion... I still feel like Laocoon..
 - 8:04 [hawklady](#): thanks au
- » we'll have to plan a get together soon au
