- 7:07 [lost\\_horizon](#): ^^ yes
- 7:07 [vadere](#): the archangel michael keeps coming up in conversations around me
- 7:08 [piandjo](#): the kingdom is on earth, as in the Lord's Prayer. Two natures together, here and now.
- 7:08 [lost\\_horizon](#): interesting, Vadere
- 7:09 [markcirka](#): oh dont touch that book!
- 7:09 [hawklady](#): I believe we (here) all were in the kingdom and choice to come back here
- and now so that we can recreate it here
- 7:11 [mollymidway](#): "when we can see the phenomenal and non-phenomenal worlds..."
- 7:11 [simmontemplar](#): Susan: in a small example I do that when I go to sleep
- 7:13 [auriah](#): hello everyone, sorry I got here late
- 7:13 [mollymidway](#): the archangel michael is noticeable lately Vadere?
- 7:13 [markcirka](#): i involuntarily squeeze my face to be matter-esque
- 7:13 [simmontemplar](#): Welcome Au !
- 7:13 [hawklady](#): hi au
- 7:14 [vadere](#): yes molly, several different people see him around me

» kinda of scary because he is fighting something but also comforting to know i am protected

- 7:15 [auriah](#): As we attempt to teach we become aware of what we don't know or where we lack understanding, and need to learn ourselves

- 7:15 [mollymidway](#): that is powerful angel

- 7:15 [lost horizon](#): Archangel Michael is supposed to be the spirit of the age, according to Steiner

- 7:15 [winnipeg9](#): best description of shape shifter I have heard, thanks David

  - 7:22 [mollymidway](#): lol
  - 7:22 [simmontemplar](#): he is missed
  - 7:22 [mollymidway](#): y
  - 7:22 [simmontemplar](#): Body Electric
  - 7:24 [hawklady](#): losing the comfert of sleeping
  - 7:24 [markcirka](#): massive pain
  - 7:24 [simmontemplar](#): is what we sacrifice
  - 7:24 [auriah](#): our awareness
  - 7:24 [jim\\_h](#): eternal return
  - 7:24 [auriah](#): once you know, you can't go back

- 7:24 [winnipeg9](#): dying before you die
- 7:24 [piandjo](#): the price is the suffering of knowing it will never go away.
  - •
  - 7:25 [auriah](#): yes Pi
  - 7:26 [simmontemplar](#): Auria : you can't get the Genie back on the bottle !
    - »
  - 7:26 [auriah](#): nope, i tried darn it
    - »
  - 7:26 [piandjo](#): yes simmon, once out, it will not go back into the bottle.nice
  - 7:26 [hawklady](#): :D
  - 7:27 [simmontemplar](#): Tks Pi !
    - »
  - 7:28 [auriah](#): can someone type in the question?
  - 7:28 [piandjo](#): Living with the Genie
    - » that is our eternal narrative
  - 7:28 [mollymidway](#): "how exactly can i return the hospitality of the Absolute?"
  - 7:30 [winnipeg9](#): mark mcgibbon here as my old study group, talk of the month called winnipeg 9
  - 7:31 [mollymidway](#): it's a great talk
  - 7:31 [simmontemplar](#): he says SOUL or SOL ??
  - 7:32 [mollymidway](#): soul
  - 7:32 [jim\\_h](#): soul
  - 7:32 [piandjo](#): soul
  - 7:32 [simmontemplar](#): TKy both !
    - » no
  - 7:38 [jim\\_h](#): What is the distinction between essential self and soul?
  - 7:39 [simmontemplar](#): Susan : Special thanks to Iven; Greatly appreciate his views ! ...as well as David
  - 7:41 [hawklady](#): Yes Simmon i feel the room is filled with feelings of gratitude and humbleness (if that's a word)
  - 7:41 [jim\\_h](#): essential self transforms to the soul?
  - 7:41 [simmontemplar](#): True Hawk L.

- 7:41 [auriah](#): yes i agree hawk, and yes it is.
  - » maybe Susan ca read jims question?
  - » \*can
- 7:42 [markcirka](#): yeah i dont know jim good question
- 7:42 [hawklady](#): Yes, they are good questions
- 7:42 [markcirka](#): or a soul is a name for advanced human lifeform
- » diffent from esence which is infinite eternal
- 7:42 [piandjo](#): Jim, perhaps it is that spirit in man, the essential self, through its action in matter, forms a soul
  - » soul is a garment worn by the spirit, formed in man by his special place in the creation
- 7:43 [mollymidway](#): yes, there must be some matter in soul...essential self is truly non-phenomenal
  - » but i may be mistaken
- 7:44 [auriah](#): the essential self "grows up" - becomes into the soul as we practice attention and presence
  - » or something like that...?
- 7:45 [hawklady](#): i like that au
- 7:45 [winnipeg9](#): when you pick him up and something rattles that is soul
- 7:45 [piandjo](#): we seem to be circling a common perception of soul
- 7:46 [jim\\_h](#): previu
  - » previous paragraph - polish the diamond
- 7:47 [mollymidway](#): if essential self and machine enter that magic one-ness and awareness one of the other, together, all of creation becomes alive with soul? for a little bit or best offer?
- 7:47 [simmontemplar](#): sorry I don't get that suffering ?
  - » meaning
  - 7:48 [auriah](#): sounds like the space i spent most of 2011 in...the deep contemplation
  - 7:49 [jim\\_h](#): Here we are - called by God
  - 7:49 [hawklady](#): when a child crys at the store for candy, that's the machine. When a mother watches the child in pain, she suffers
    - » that's how i see it
  - 7:53 [jim\\_h](#): No hope - shattering

- 7:53 [simmontemplar](#): Compassion, Duty and Voluntary Crucifixion
- 7:53 [jim\\_h](#): The three nails
- 7:54 [simmontemplar](#): through the vehicle of the three nails
- 7:54 [hawklady](#): there we go
- 7:55 [simmontemplar](#): it si not pain but ...
- 7:55 [piandjo](#): hawklady-- the metaphor of mother and child is really an expansive one. thanks.
- 7:55 [simmontemplar](#): suffering is not pain says..
- 7:55 [markcirka](#): sensing eternity
- 7:55 [auriah](#): i think he means he doesn't understand the type of suffering or how one suffers, as opposed to pain and ordinary human suffereing?
- 7:56 [jim\\_h](#): Deep, deep sense of hopeless ness
- 7:56 [simmontemplar](#): That's it Au !
- » Thank you that is the explanation
- 7:57 [hawklady](#): ah Simmon, okay-- and Jim I like that

» thanks Pi

- 7:57 [winnipeg9](#): only two kinds of suffering voluntary and involuntary
- 7:58 [markcirka](#): no rebirth is suffering because of the tension of upscaling to a higher note
- 7:58 [auriah](#): i think so too Simmon, the longing and pain of being so ultimately alone and being not here nor there...
- 7:58 [simmontemplar](#): Au
- 7:58 [auriah](#): yes, I miss a lot by not beingable to or having a place to share and ask questions
- 7:59 [eiru](#): in the orbs it talks about giving up our earthly comfort zone of personal misery and suffering
- 7:59 [markcirka](#): angelic suffering opposed to human drama whirlwind
- 8:00 [simmontemplar](#): All clear now David ! Thank you
- 8:00 [markcirka](#): 90% of the work is just holding on - EJ
- 8:00 [auriah](#): yes Se, we can be very comfortable and cling to our human ordinary misery. that suffering is our "known" and how we identify
