- 7:29 **Auriah**: hehe, i felt it too
- 7:30 **Jim h**: fleeting eneregetics
- 7:30 **Lost horizon**: nice, Mark - what's that from?
- 7:31 **Auriah**: they come through so fast, a millisecond, and sometimes not a fully formed thought, they are hard to catch...
- 7:32 **Markroche**: a beautiful song called These Islands Green on the American Stonehenge album by Robin Williamson and His Merry Band
 - » that could also mean that someone cared enough about you to give you up
 - » rather than put you through suffering with a possibly harsh existence
- 7:38 **Hawklady**: but you can't comprehend that when you are a child
- 7:39 **Jim h**: And its the child coming forth right now
 - » letting go so that Love can fill the void
- 7:44 **Markroche**: and I am definitely not this particular habit or set of habits, a way to view a particular neurological sequence
- 7:44 **Lost horizon**: "It's not who I am, it's part of how I got here" - nice
- 7:44 **Markroche**: and observing it from a whole bunch of different perceptual 'angles', thus freeing up some of the 'lock-in'.
 - » it can then become a possible choice response rather than an automatic default response
- 7:46 **Simmontemplar**: a voluntary act
- 7:46 **Jim h**: The space now has Angelic Presence
 - » my sense of this space right now
- 7:48 **Silverdale**: I agree Jim ..

- 7:49 **Vadere**: yes
- 7:50 **Jim h**: in form and formlessness my presence becomes thee
- 7:50 **Hawklady**: the space tastes good
- 7:50 **Markroche**: know the truth(or confess it) and it shall set thee free
- 7:53 **Hawklady**: the burning process feels like dieing
- 7:54 **Markroche**: "I die daily"
- 7:54 **Piandjo**: i lost the connection somehow! i will try again.
- 7:55 **Auriah**: i do too Mark. In particularly in front of my 1st period students.
