- 6:58 [Muspelspark](#): Hi Luce
- 6:58 [Lost horizon](#): access code 291472
 - » follwed by # sign
- 6:58 [Pathworld](#): good evening
- 6:59 [Lost horizon](#): Hi, all
 - » (12 viewers signed in)
- 7:00 [Auriah](#): hello everyone!
- 7:00 [Muspelspark](#): read the chapter
- 7:00 [Pathworld](#): yes
- 7:00 [Muspelspark](#): right
 - » got it

- 7:01 [Jim h](#): Repetition
- 7:02 [Muspelspark](#): by noticing patterns?
- 7:02 [Hawklady](#): hello all
- 7:02 [Jim h](#): Prayer Absolute seems to require you to experience -
- 7:02 [Simmontemplar](#): Hello companions
- 7:03 [Jim h](#): experiential learning -
 - » feel it in the machine
 - » and beyond
- 7:03 [Auriah](#): i did not get it committed to memory
- 7:04 [Jim h](#): first three lines relate to the HBM, then it takes a leap up to higher emotional centres
- 7:05 [Silverdale](#): That's the way I experience it Jim ...
- 7:06 [Jim h](#): Humbly - heart starts to open
- 7:07 [Lost horizon](#): Humbly, with heart alive - all self-centered concerns drop away when I contemplate that
- 7:08 [Jim h](#): comes to know thee
 - » work up the HBM chakras
- 7:09 [Hawklady](#): Question "my presence awakens thee". But isn't thee already awake, it's us that needs to awaken to the thee?
 - » so is thee within? Is that what's it's saying?
- 7:09 [Jim h](#): motion centre to heart chakra to brow chakra then onwards and upwards
 - » With Pity for thy suffering
- 7:10 [Lost horizon](#): "my presence awakens to thee" is how it reads in chapter 11
 - » (@ Hawklady)
- 7:10 [Hawklady](#): ah okay, thank you
- 7:11 [Silverdale](#): becomes aware of our Self as a particle of the Suffering of the Absolute ...
 - » become aware of Thee ...
- 7:12 [Jim h](#): becomes aware?
- 7:12 [Simmontemplar](#): yes, Silver; it states that we WILL our Presence for the Absolute
- 7:12 [Hawklady](#): Yes, I missed the 'to' which is very important. thank you all
- 7:13 [Pathworld](#): prayer on page in 113
- 7:14 [Jim h](#): Higher emotion of the heart
- 7:14 [Hawklady](#): unending
- 7:15 [Simmontemplar](#): I think we were all the time in the same waters; just that we now have "realized" ...that
- 7:15 [Hawklady](#): love
- 7:15 [Silverdale](#): I agree Jim ...
- 7:15 [Auriah](#): overpowering intense, persistent longing = yearning
 - » compelling
- 7:15 [Hawklady](#): yes Auriah
- 7:16 [Silverdale](#): I like that Auriah ...
- 7:16 [Jim h](#): We're not in Kansas anymore
- 7:16 [Hawklady](#): lo

» lol

- 7:16 [Vadere](#): Hello
- 7:16 [Lost horizon](#): welcome, Vadere
- 7:17 [Pathworld](#): hello Vadere
- 7:17 [Hawklady](#): When my dog passed away, I was yearning for her return, although i had released her.
- 7:17 [Jim h](#): HBM is too small for these higher emotions - you have to expand
» into the essential self

- 7:18 [Silverdale](#): The higher emotions are a function of a mature presence ..
- 7:19 [Hawklady](#): when we go into 5D, HBM won't be small anymore. But that's a talk for another day.
- 7:19 [Silverdale](#): the presence of the essential self ...
- 7:20 [Hawklady](#): I get what you are saying now Jim and silver, thanks. On the slow train today, lol
- 7:27 [Jim h](#): To know thee is to love thee
- 7:32 [Piandjo](#): I am Thou
» Thou art me , He is ours, we both are His. So may all be for our neighbor.

» Thou art I

- 7:40 [Jim h](#): We have miles and miles to go
- 7:40 [Hawklady](#): take your shoes off, this time around we will fly.
- 7:43 [Simmontemplar](#): it feels as if the Absolute becomes aware of every thing, through or via "us" as "Presences"
- 7:46 [Silverdale](#): Good point - Simmon ..
- 7:47 [Simmontemplar](#): thanks Silver, at least I have that feeling regarding the last statement read
- 7:47 [Markroche](#): in another analogy, it is said that the wind of Grace is always blowing
» yet we won't get anywhere unless we put up our sails
- 7:47 [Simmontemplar](#): "Thy comes to my Presence", that's what I mean
- 7:48 [Jim h](#): my presence becomes Thee - indistinguishable so doesn't matter who comes to who?
- 7:49 [Simmontemplar](#): I think Jim that we have to initiate first to the other to happen...
» our act of will

» intentional consciousness

- 7:49 [Jim h](#): yes but after that do we still have duality?
- 7:50 [Silverdale](#): with the development of the presence of the essential self we begin to discover that we can resonate with the presence of the Absolute in a higher octave ...
- 7:50 [Simmontemplar](#): hhaaaa !! ...I get your question...(I don't know)
» It is a huge question Jim !!
- 7:51 [Silverdale](#): this resonance causes us to experience the Absolute crucified on the cross of Creation as explained earlier in the book ..
- 7:52 [Pathworld](#): at the right time can u discuss what is meant by crossing the abyss.
- 7:53 [Silverdale](#): we then participate in the suffering of the Absolute and thereby perform Prayer Absolute
...
- 7:54 [Piandjo](#): great ouestion, jim
- 7:54 [Lost horizon](#): we each have a post
- 7:54 [Jim h](#): Its just the power of my presence becomes Thee
» If I become Thee I am Thee

- 7:55 [Lost horizon](#): "In Form and Formlessness, my presence becomes Thee"
» (my mistake, form and formlessness aren't capitalized)
- 7:56 [Markroche](#): to me it means at that point there is no one home except the Absolute
- 7:56 [Lost horizon](#): (my sense is that they should be)
- 7:56 [Markroche](#): in form or not
- 7:56 [Jim h](#): Serial Jim_h
» Turtles on turtles....
- 7:57 [Markroche](#): in form or formlessness its nothing at that point but the absolute being aware of itself, even if others around are not so aware
» time for chopping wood and carrying water
- 7:59 [Jim h](#): We are the structure of the Universe - our posts
- 7:59 [Pathworld](#): im hiding behind my post but still hold ing it
» heat/energy is ery stong

» *very
- 8:02 [Lost horizon](#): Auriah?
- 8:02 [Muspelspark](#): Yes
- 8:03 [Auriah](#): i'm here
» i can try

» i will call in
