- 7:03 [Pathworld](#): hii adl
- 7:03 [Simmontemplar](#): yes, that muting in either way produces a little delay. NO WORRIES, TAKE YOUR TIME
- 7:03 [Lost horizon](#): (Is that the one you meant, Path?)
- 7:04 [Jim\\_h](#): HBM is too small for these higher emotions - you have to expand into the essential self 7:18 Silverdale: The higher emotions are a function of a mature presence .. 7:40 Hawklady: take your shoes off, this time around we will ...
- 7:04 [Susankester](#): hello group
- 7:04 [Lost horizon](#): Hi, Susan

- 7:08 [Muspelspark](#): Is it from the coffee shop i'm at? the background noise
- 7:08 [Lost horizon](#): Here are the quotes from David's email:
- 7:08 [Auriah](#): it might be, are you on phone? try muting
- 7:09 [Lost horizon](#): Jim\_h: HBM is too small for these higher emotions - you have to expand into the essential self
- 7:09 [Auriah](#): than got better
- 7:09 [Lost horizon](#): 7:18 Silverdale: The higher emotions are a function of a mature presence ..
- 7:09 [Auriah](#): glad you made it muspelspark.
- 7:09 [Jim\\_h](#): All this work relates to expansion of Self
- 7:09 [Lost horizon](#): 7:40 Hawklady: take your shoes off, this time around we will fly.  
» "Do not come any closer," God said. "Take off your sandals, for the place where you are standing is holy ground." Exodus 3:5
- 7:11 [Muspelspark](#): Auriah yes...but a question Are there long distance charges when using this phone number?
- 7:11 [Auriah](#): i don't know...sorry
- 7:11 [Simmontemplar](#): yes
- 7:11 [Jim\\_h](#): Yes Muspelspark
- 7:11 [Auriah](#): ty simmon
- 7:12 [Simmontemplar](#):
- 7:12 [Jim\\_h](#): Skype phone can be cheaper
- 7:12 [Winnipeg9](#): very much so
- 7:13 [Muspelspark](#): oh... maybe i will phone back a bit later... i am not sure how long i can talk from where i am in ontario... How much does it cost you Jim when you phone?
- 7:13 [Auriah](#): that would be a good thing to email david about after class.
- 7:14 [Simmontemplar](#): that's a great comment David, ...from one holy place to another
- 7:14 [Auriah](#): we should focus on the chat and chapter for now.
- 7:14 [Muspelspark](#): ok Auriah I will hang up my phone now

- 7:14 [Lost horizon](#): Muspel - be sure to call in at some point - David would like you to, even if only for a bit
- 7:14 [Auriah](#): yes, please do
- 7:14 [Muspelspark](#): yup Lost
- 7:14 [Jim h](#): I used Skype - but AB regular charges may be 30\$ or so » Skype is maybe \$10 per month unlimited  
» I could be wrong
- 7:15 [Muspelspark](#): Thanks Jim ... will look at that
- 7:16 [Winnipeg9](#): yes good idea
- 7:16 [Simmontemplar](#): Are you Silver on line??
- 7:16 [Silverdale](#): Yes - Simmon ...
- 7:16 [Simmontemplar](#): :0 !!
- 7:17 [Silverdale](#): phone and log ...
- 7:17 [Pathworld](#): yes
- 7:17 [Vadere](#): i thought skype is free
- 7:17 [Pathworld](#): skype is free
- 7:17 [Lost horizon](#): (no Piandjo this week?)
- 7:17 [Jim h](#): not for dialed calls
- 7:17 [Pathworld](#): oh ok
- 7:17 [Simmontemplar](#): yes, free, but not when you call a phone line
- 7:17 [Silverdale](#): He's on the phone ...
- 7:17 [Vadere](#): oh i see
- 7:18 [Silverdale](#): Piandjo is in a remote location and not on the computer ...
- 7:18 [Simmontemplar](#): ok and free from computer to computer or Skype to Skype
- 7:19 [Muspelspark](#): I was like that earlier, Hawklady
- 7:20 [Lost horizon](#): (Note to David: 55 viewers, 15 logged in)
- 7:25 [Silverdale](#): Good contribution Auriah ...  
» Nice addition Auriah ...
- 7:27 [Susankester](#): I agree Auriah, when you are present you are open to more
- 7:27 [Pathworld](#): How is remote viewing similar ?
- 7:28 [Winnipeg9](#): my opinion not
- 7:28 [Silverdale](#): Is remote viewing - sensing - one aspect of the latent possibilities of a developed presence?
- 7:28 [Pathworld](#): ok
- 7:28 [Jim h](#): Essential Self needs to be strengthened to regain powers such as remote viewing  
» E J's astral projection workshops strengthen the Essential Self, for instance  
  
» It starts out being identified with the machine.
- 7:35 [Winnipeg9](#): remote viewing used by military since the 1960s
- 7:35 [Simmontemplar](#): Ingle Swan great teacher on that matter
- 7:35 [Jim h](#): E J was employed by Government, apparently to remote view
- 7:36 [Markroche](#): and by magicians ever since they invented crystal balls and tea leaves
- 7:36 [Simmontemplar](#): Major Ed Dames comes from that militar branch
- 7:37 [Auriah](#): ty simmon

- 7:37 [Adlucem](#): Before going to the Institute, I would dream I was there. It looked completely different when I actually got there.
- 7:37 [Pathworld](#): yes i met a guy today who was remote viewing for military many years -- odd we met in d3 public game- even more odd-
- 7:37 [Silverdale](#): There is no question that there are miraculous powers ... The question is where can I buy them? LOL
- 7:38 [Auriah](#): lol
- 7:38 [Adlucem](#): Much to my amazement, I had been going to the house EJ had in the mountains years ago.  
» I saw pictures of the old house.
- 7:38 [Lost horizon](#): at Crestline?
- 7:38 [Auriah](#): sold! for the bargain price of a lifetime of work on self!
- 7:38 [Adlucem](#): Yes, ost
- 7:38 [Vadere](#): I had a dream of that too before i visited
- 7:39 [Adlucem](#): Lost
- 7:39 [Vadere](#): many years before
- 7:39 [Lost horizon](#): wow
- 7:39 [Simmontemplar](#): Auriah: In my experience to "DREAM" is in the sleep at night what to a Awaken Machine is for the daily life
- 7:39 [Lost horizon](#): interesting
- 7:39 [Silverdale](#): Right Auriah ...
- 7:40 [Auriah](#): i'm not sure i follow simmon
- 7:40 [Simmontemplar](#): to Be awake in the DREAM is like to be Awake during the daylight time
- 7:41 [Auriah](#): ahh, yes  
» lucid dreaming can be a great source of 'sensing' information.
- 7:42 [Simmontemplar](#): true !!
- 7:42 [Hawklady](#): the days i'm not awake, i don't remember my dreams.  
» the more awake i am the more I can lucid dream.
- 7:42 [Simmontemplar](#): there you go
- 7:42 [Hawklady](#): and remember
- 7:44 [Vadere](#): counting backwards when you wake up can help to remember
- 7:44 [Hawklady](#): ah cool, thank you will try
- 7:48 [Texasrosie](#): being grateful for all experiences, emotions, feelings, thoughts for the sake of the Absolute, even the tough stuff
- 7:48 [Hawklady](#): amen
- 7:48 [Muspelspark](#):
- 7:51 [Silverdale](#): Best to you Rose ... thanks for the comment ...
- 7:54 [Simmontemplar](#): next is me
- 7:54 [Lost horizon](#): (you're "it", Simmon - I'll tell David)
- 7:55 [Simmontemplar](#):
- 7:55 [Winnipeg9](#): Hi Rose - Mark -
- 7:58 [Markroche](#): Hi
- 7:59 [Pathworld](#): yes this class went by really fast
- 8:00 [Simmontemplar](#): and the old man said: "Why life seemed so short and the days so long???"
- 8:00 [Silverdale](#): Well formulated - Simmon ...

- 8:00 [Simmontemplar](#): thanks Silver friend !
- 8:05 [Auriah](#): experiment: Isolate a day this week. Set the intent "This day will be for the benefit of all beings everywhere." and renew the intent throughout the day. begin with an invocation of presence, and the intent that I will be doing this on 'this' partic...
- 8:05 [Hawklady](#): what a great idea. I will choose the most difficult day which I know is coming.
- 8:06 [Jim\\_h](#): Whatever falls into your begging bowl you have to eat.
- 8:07 [Lost horizon](#): (Auriah, got cut off at "on 'this' partic...")
- 8:08 [Auriah](#): ntenet that I will be doing this on 'this' particular day.
- 8:08 [Lost horizon](#): (thanks, Au)
