- 7:15 [Silverdale](#): Well summarized Mark ...

- 7:15 [Pathworld](#): ty
- 7:15 [Piandjo](#): What i got was: "Do His will as if it were Thy will, that He may do Thy will as if it were His will."
» either way, the same message.
- 7:16 [Muspelspark](#): Bhagavad Gita
- 7:17 [Piandjo](#): did anyone write down the source?
- 7:17 [Markroche](#): Rev Ike was asked if he ever did fasting. » He said that he fasted every day.
- 7:17 [Piandjo](#): fasting from what/ » ?

- 7:22 [Hawklady](#): open the windows to the rooms you are sitting in
- 7:22 [Pathworld](#): k
- 7:22 [Lost horizon](#): lol...winnipeg. very zen suggestion.
- 7:24 [Markroche](#): and in Lazy Man's Guide it advises to be suspicious of anything you see and hear on said unplugged in tv
- 7:24 [Lost horizon](#): Rebooting now!
- 7:25 [Hawklady](#): Welcome back
- 7:25 [Pathworld](#): back yes
- 7:25 [Lost horizon](#): audio is okay?
- 7:25 [Piandjo](#): strange, but i got a lot out of this!
- 7:26 [Lost horizon](#): David has asked you to share in chat... 'What has your experience been the past two weeks?'
- 7:26 [Silverdale](#): with Prayer Absolute ...

- 7:27 **Markroche**: mostly an awareness of the two first lines from the prayer. and mostly an attention on going with the flow and an awareness » of what is emerging in the situation and flowing with that » rather than imposing my ego or will on the situation
- 7:27 **Pathworld**: more coincidences » (ok i cant spell that)
- 7:28 **Lost horizon**: (Silverdale, Tamara says thank you.)
- 7:28 **Silverdale**: yw
- 7:28 **Markroche**: makes the experience of the world a bit gentler, and me a bit more aware
- 7:30 **Jim h**: action through Love
- 7:30 **Piandjo**: nice, mark
- 7:30 **Markroche**: be supportive but give her total freedom to be herself
- 7:31 **Hawklady**: I would say it first thing in the morning and before bed time. It would help me be more present in the moment. Mark, I so agree (gentle) days.
- 7:36 **Markroche**: wrt what Susan was saying, EJ's Blog today was interesting. Saying the focus is not about helping the planet.
» but that Earth is useful for the transdimensional capabilities that it provides.
- 7:39 **Simmontemplar**: Please expand (explain) Mark
- 7:39 **Pathworld**: lost- tell him what i wrote about more coincidences happened
- 7:39 **Markroche**: <http://www.gorebaggsworld.com/2013/05/our-practices-in-a-nutshell/#more-5407>
- 7:39 **Lost horizon**: ok, Path
- 7:39 **Pathworld**: ty
- 7:39 **Simmontemplar**: Thank you Mark
- 7:40 **Markroche**: that's the link Simmon. As far as what I said, just that the focus is utilizing those capabilities, not having a specific planetary effect.
» the reason for focus on those two lines, is cuz they easy to remember-lol, even tho have the rest written down » and carry in my pocket
- 7:44 **Hawklady**: so David seem to be living with the prayer
- 7:44 **Markroche**: me too, had an interesting experience about the prayer coming to me
» at first, before had it in my pocket, could only remember the first line » rather than struggling to remember the next one, I just stayed with the living of the first one » and then like David said in a previous class, one line leads to another
- 7:46 **Pathworld**: ty
- 7:46 **Lost horizon**: Mark, it does seem like each line could be taken as a sutra
- 7:46 **Markroche**: and by working with the first line, a little while later the second line spontaneously presented itself to me, when the time was ready » Yeah LH, each line seems quite potent.
- 7:47 **Lost horizon**: that's excellent, Mark
- 7:47 **Pathworld**: yes i am very lucky
- 7:47 **Markroche**: I played on the court at Madison Square garden for a few minutes once-lol
- 7:47 **Lost horizon**: were you "in the zone"?
- 7:48 **Markroche**: definitely not-lol
- 7:48 **Piandjo**: Mark, the same thing happened to me on a plane trip. One line led to the next, then a gap, and the next. By the time the prayer was complete, 30 minutes had passed.
» A great experience.
- 7:49 **Hawklady**: that's just lovely guys,

- 7:50 [Markroche](#): Piandjo, feels good when it clicks in, huh, seems like a kind of validation of the principle of octaves the prayer rests upon.
- 7:51 [Piandjo](#): when it clicks in, exactly.
- 7:53 [Hawklady](#): the room is so hot right now, anyone else?
- 7:55 [Pathworld](#): yes
- 7:55 [Piandjo](#): I guess i am suppo
- 7:55 [Lost horizon](#): yes, Hawk
- 7:55 [Piandjo](#): sed to buy tha honda
- 7:56 [Lost horizon](#): this space brought to you by... »
- 7:56 [Hawklady](#): NO Piandjo, save for the space ship
- 7:57 [Lost horizon](#): this IS the space ship, Hawklady
- 7:58 [Hawklady](#): exactly
- 7:58 [Auriah](#): hi everyone,
- 7:58 [Markroche](#): a moment of courage, And, a moment of Freedom
- 7:58 [Pathworld](#): hi
- 7:58 [Markroche](#): Hi Auriah
- 7:58 [Auriah](#): just enough time to say hello and goodnight.
- 7:58 [Hawklady](#): Is Jim here? » hi Auriah
- 7:59 [Piandjo](#): hello Auriah. and goodnight too.
- 7:59 [Lost horizon](#): Hi, Auriah

- 8:00 [Lost horizon](#): yes
- 8:00 [Auriah](#): what did we do this week?
- 8:00 [Pathworld](#): talk about prayer absolute
- 8:00 [Lost horizon](#): relating personal experiences for a couple of weeks with the prayer
- 8:01 [Hawklady](#): Jim, will you send the log?
- 8:01 [Jim h](#): I have the log » yes
- 8:01 [Hawklady](#): thank you love
- 8:01 [Lost horizon](#): (Auriah, do you want the chat log?)
- 8:01 [Auriah](#): yes please LH, thank you!
- 8:01 [Silverdale](#): Thanks David MA, One & All for all contributions to this Space tonight ...
- 8:01 [Piandjo](#): Thank you for the divergent path tonight, David and MA. Goodnight everyone. Tamara, thanks for the two prayers!

- 8:02 [Lost horizon](#): Thank you all

- 8:02 [Muspelspark](#): Good night all

- 8:02 [Susankester](#): good night
- 8:02 [Markroche](#): Muspelllllspark, not sure, but it sounded like it might be the chapter on Karma yoga.
- 8:03 [Pathworld](#): Good night all
- 8:03 [Muspelspark](#): OK thanks Mark. I'll look for that...have never read that book.7
 - » no 7*

- 8:03 [Markroche](#): because it was talking about doing work, but not expecting the results.
 - » It makes a big difference which version you get Muspel

- 8:04 [Muspelspark](#): yes. I found something similar in Chapter 2 verse 47
 - » Oh ok. I didn't know that. Thanks Mark!

- 8:04 [Markroche](#): there is one by Swami Satchidananda that is pretty good for translating the ideas into western culture and vernacular
- 8:04 [Lost horizon](#): Tamara here...thanks so much to all of you. It was a special space for me tonight.
- 8:05 [Markroche](#): You are so lucky to be there Tamara
