- [Piandjo](#): piddling equals non-attachment?
- [Pathworld](#): hi

- [Hawklady](#): hi all
- [Pathworld](#): hi
- [Simmontemplar](#): Hi There Hawk L. !
- [Auriah](#): hi everyone
- [Pathworld](#): hi aur
- [Hawklady](#): good to be here with you all
- [Lost horizon](#): hi, Auriah  
» hi, Hawklady
- [Simmontemplar](#): Hi Au !
- [Piandjo](#): amen, hawklady! Indeed it is.  
» organic food is transformed by us when we consume it, just as we are transformed when "consumed" by the Absolute.
- [Hawklady](#): If you forget you are love and are loved, then attend a Wings of Choas class
- [Jim\\_h](#): Now invokes presence
- [Simmontemplar](#): do you see an advertising in the screen now too?
- [Hawklady](#): not I
- [Pathworld](#): no
- [Piandjo](#): Simmon, it should already be gone.  
» what it feels like to be crunched by The Molars of the Absolute?

- [Jim h](#): maybe attempting a sense of oneness with the object that is going to become us in form
- [Piandjo](#): nice, Jim.
- [Jim h](#): maybe thats how the Absolute views us - as food
- [Hawklady](#): Yes Piandjo what does the Absolute feels when we join him after we join. That is thinking that we are apart at this time.
- [Simmontemplar](#): Totally Pi and Jim
- [Waynenagy](#): I imagine the food feels about the same as I do when I am ground down by life, at my job, eaten up and let out the "window"... there's certainly no earthly reward. And so I hope...
- [Markroche](#): reminds me of second line of the prayer, Humbly with heart alive my presence awakens to Thee.--
- [Piandjo](#): being consumed = suffering
- [Markroche](#): that is, imagining what the food is feeling, etc  
» lost sound and pic froze, will try reloading
- [Hawklady](#): is it Piandjo?
- [Piandjo](#): that is my question. Suffering and being consumed have something in common.  
» ?
- [Jim h](#): also in form and formlessness my presence becomes Thee
- [Simmontemplar](#): What's the question Pi ??  
» I got it Pi , ...sorry
- [Piandjo](#): the question for me is: what is the relationship of our experience of suffering and "experiencing" the food being consumed?  
» David is spot on; surrender is the connection i was looking for.
- 7:33 [Simmontemplar](#): I think Pi - personally, that in that particular case there is no suffering but total Presence that IS the food of the Absolute
- 7:33 [Lost horizon](#): (For David - 66 viewers, 20 signed in)
- 7:34 [Jim h](#): You don't take the food lightly  
» (not common in our society today)
- 7:34 [Markroche](#): and, as has been alluded to here, it reminds us that we too will one day be 'eaten', and hence also of the 'circle of life'  
» the bigger Oneness
- 7:35 [Simmontemplar](#): great take Iven !!!
- 7:37 [Hawklady](#): How present can one be, when enduring pain?
- 7:38 [Simmontemplar](#): super Present !! it seems of a great help Hawk L. ...
- 7:38 [Jim h](#): Eating in this manner is a carefully performed ritual
- 7:38 [Hawklady](#): Could the man on the cross really be watching the view from up there? I'm just thinking out loud.
- 7:40 [Waynenagy](#): Saying "grace" if done with awareness, not just habit.
- 7:43 [Auriah](#): its true, the pain disappears almost immediately if you observe it and maybe recognize the lack of attention leading to the 'accidental' action causing the pain.
- 7:44 [Piandjo](#): I got a lot out of Waynenagy's comment about the sensation being the same os being "ground down by life". This seems like Hawklady's "identification" with our pain, or suffering.
- 7:47 [Auriah](#): yes simmon, practice practice practice, oh to be able to observe amidst the most excruciating pain.

- 7:47 [Simmontemplar](#): there is a challenge !!
- 7:48 [Auriah](#): you practice simmon, and let me know how it goes.
- 7:49 [Simmontemplar](#): jajajajaj !!!!! ...be my guest dear Golden friend !!
- 7:49 [Auriah](#): lol
- 7:49 [Lost horizon](#): lol

» If I ever do, you will be my first share
- 7:51 [Auriah](#): okay!  
» YAY!
- 7:56 [Piandjo](#): Temple Grandin has done a lot to improve the space in slaughterhouses, to make it a more sacred space, respectful to the animals.
- 7:56 [Hawklady](#): yes she has, the movie on her is wonderful
- 7:57 [Piandjo](#): a remarkable person.
- 7:57 [Simmontemplar](#): Is there a comment in particular that you want me to read ?
- 7:58 [Piandjo](#): ANY space can be improved and even sanctified by our intent.
