- 7:06 [Adlucem](#): hi all
- 7:07 [Pathworld](#): page 133
- 7:08 [Simmontemplar](#): thanks Path
- 7:09 [Pathworld](#): yw
- 7:09 [Markroche](#): Hi Adlucem
- 7:11 [Piandjo](#): we made it to bottom of p 134  
» except last paragraph
  
- 7:13 [Lost horizon](#): (Starting now bottom of p. 136)
- 7:13 [Pathworld](#): yes we have invocational dinner in cabin yes i was much more carefull
- 7:13 [Hawklady](#): prepare with love
- 7:14 [Lost horizon](#): (54 Viewers, 14 signed in)
- 7:14 [Pathworld](#): i made food with more attention and love
- 7:14 [Hawklady](#): yes path
- 7:14 [Piandjo](#): i have tried to be more invocational when i prepare my breakfast. moving more slowly.
- 7:17 [Hawklady](#): The process starts way before the actual cooking. Thinking about the actual cooking and buying the items
- 7:17 [Pathworld](#): prepare veg with much more attention ,much slower much more carefully  
» yes
  
- 7:18 [Auntiematter](#): during my transition to being here in california, i have been in a state of receiving all my food through the work and service of others. it has been a strong re- minding factor of 'being fed' and nurtured by the Work.
- 7:19 [Hawklady](#): As I shop for items, the energies being to build and I begin to look forward to what I'll be prepareing
- 7:20 [Markroche](#): if i'm hearing Janna, its like when entering the space, shapeshifting or stepping into the character of the intended presence in that space  
» In motion bowing my presence comes to thee  
  
» Humbly with heart alive my presence awakens to thee  
  
» yes, kind of like surrendering to the octave at play

- 7:26 [Jim h](#): With clear mind » my presence comes to thee
- 7:26 [Piandjo](#): with clear mind..
- 7:27 [Jim h](#): \*know thee
- 7:27 [Hawklady](#): with pity for thy suffering, my presence becomes aware of thee
- 7:28 [Markroche](#): Question, Can we talk a bit about what is meant by 'clear mind' or has that been previously addressed. I'm not clear-lol on
- 7:28 [Piandjo](#): then you enter the space of the ES
- 7:28 [Markroche](#): just what it means. Is it empty mind? Or is it focused on one's intent mind? Or maybe both at the same time? » Or what?
- 7:29 [Agenbite](#): Vibrations imprint on the food....
- 7:30 [Piandjo](#): pissed off effects the food
- 7:31 [Markroche](#): and pissed off affects the invocation of whatever is being invoked
- 7:31 [Piandjo](#): yes
- 7:31 [Jim h](#): There are cultures which bless every grain of rice before cooking. They have no doubt of the need to do this at holy gatherings » I agree with this too
- 7:31 [Hawklady](#): wow Jim
- 7:32 [Jim h](#): but I don't do it
- 7:32 [Piandjo](#): nice, Jim
- 7:32 [Jim h](#): I have eaten such food and it does maintain your level of vibration
- 7:33 [Hawklady](#): the energies just got stronger here
- 7:33 [Piandjo](#): it is the basis of the Eucharist
- 7:34 [Markroche](#): especially since as in the earlier paragraph the food partakes in our being » so what kind of food do we want partaking of us?
- 7:35 [Simmontemplar](#): could you expand on that Mark ?
- 7:36 [Hawklady](#): that happened because of what you typed Jim, about each grain getting blessed and some imagined eating that blessed food, and vola
- 7:36 [Markroche](#): maybe David will Simmon, if not I can try
- 7:37 [Simmontemplar](#): ok
- 7:37 [Simmontemplar](#): ok
- 7:38 [Markroche](#): can you also please read my question about 'clear mind' Simmon?
- 7:38 [Piandjo](#): good question, Mark. David's answer is also useful.
- 7:39 [Simmontemplar](#): sorry I missed Mark; I will...
- 7:39 [Markroche](#): thanks
- 7:40 [Simmontemplar](#): It was addressed although, at the time we talked of the Invocation Mark » It was related with the absence of ego if I recall well
- 7:41 [Markroche](#): that makes sense
- 7:42 [Simmontemplar](#): do you still want the question?
- 7:42 [Piandjo](#): Thanks for this idea, David. We shall do it.
- 7:43 [Pathworld](#): yes
- 7:43 [Markroche](#): now I'm not sure » please read the whole question » never mind, he's answering it anyway

- 7:46 [Agenbite](#): We did this with a study circle, when I lived in Tucson, and it was a very strong practice.

- 7:47 [Auntiematter](#): during my transition to being here in california, i have been in a state of receiving all my food through the work and service of others. it has been a strong re- minding factor of 'being fed' invocationally and nurtured by the Work.
- 7:48 [Simmontemplar](#): I will bring your comment Auntie...
- 7:48 [Auntiematter](#): many thanks Simmontemplar

- 7:49 [Auntiematter](#): many gratitudes to you.
- 7:52 [Hawklady](#): One more shift
- 7:54 [Markroche](#): a hindu prayer before eating: "The food is God. The plates, spoon, etc are God. The eater is God. The fire of hunger is God.  
» The act of eating is God." » like the line from Salinger
- 7:55 [Auntiematter](#): lovely prayer.
- 7:56 [Markroche](#): about pouring god into god
- 7:56 [Hawklady](#): yes auntie it is, thanks for sharing Mark
- 7:56 [Jim\\_h](#): thank you Mark
- 7:57 [Markroche](#): it seems that reminding ourselves of such an awareness automatically triggers us into a higher state » that will be more like 'heaven' for the food
- 7:58 [Auntiematter](#): like the act of adoration of the hbm towards the Beloved.
- 7:59 [Markroche](#): yes
- 7:59 [Hawklady](#): yes
