- **Piandjo**: a family of origin type of problem, I think he means. Something from the "matrix" of your own personal life experiences.
- **Simmontemplar**: thaks Pi !!
- **Jim_h**: Some I have worked on are what I call being between a rock and a hard place. In high school I was accused of doing something I had not done and was punished for it
» I had no support to address this and simply chose to swallow the feelings
- **Simmontemplar**: Writting is very limited but I could share that at the end of the year when I pent time with my mother, I can see that she was soooo useful to trigger (unadvertedly in her part) my issues
- **Jim_h**: Feelings associated with injustice
- **Markroche**: for life story journaling in ways that connect you with the unconscious river of your life
» and that bring the anomalous areas into bas-relief
» a great book is The Intensive Journal Workbook by Ira Pogroff--really excellent
» and completely non-analytical

- **Simmontemplar:** It took me a few times to figure out what was hapening from a dettached point of view and wait for the next opportunity to possition myself from the point of the ES and see what will come out
 - » What I did was to observe her as she was bringing her opinions but I was in much better possition to see my reactions...I just kept quiet and in silence
 - » that's it David, ...this lady
 - » Thank you Pi and Silver!!
- **Silverdale:** YW - Simmon ... good sharing!
- **Jim_h:** I never felt supported by my parents and I gave them up emotionally in my teens. Eventually I left home for a new country at 20 years old. I realize now they were unable to help me - there was a huge gulf between us. But the child in me feels alone a...
- 7:35 **Lost_horizon:** Jim- your post was cut of at "feels alone a..."
 - » *cut off
- 7:36 **Jim_h:** But the child in me feels alone and in some respects abandoned
- 7:37 **Silverdale:** My experience was similiar Jim ... later I was grateful because it served to motivate my search for something higher more real ..
- 7:38 **Piandjo:** great sharing, Jim.
- 7:38 **Jim_h:** Yes - I realize now I was from a different planet.
 - » No siblings sadly
 - » This is my family now
- 7:42 **Simmontemplar:** Is David bringing into life a particular aspect of karma ? ...with the comment about Jim's family and the "why" ; Am I in the right track?
 - » or I misunderstood the hint of his comment
- 7:44 **Lost_horizon:** (63 viewers, 15 signed in)
- 7:44 **Simmontemplar:** Give me a hug brother Jim; Simmon is here body !!
- 7:45 **Hawklady:** I'm looking for a brother Jim, are you up for it?
- 7:45 **Jim_h:** I feel your love - thanks
 - » thanks is weak - have no words for it
- 7:47 **Hawklady:**
- 7:47 **Piandjo:** thanks, Jim. You are a courageous man.
 - » thanks Jim, you are a courageous man.
- 7:48 **Jim_h:** Thank you Pi.
- 7:48 **Piandjo:** Oopa!
 - » Sorry about that.
 - » I feel like this is my family also.
- 7:50 **Hawklady:** firm embrace to all, with love and gratitude for all that we have become
- 7:52 **Pathworld:** we are family
- 7:52 **Jim_h:** It seems to me that this is an offering to the Absolute
- 7:52 **Lost_horizon:** Yes, Jim
- 7:52 **Jim_h:** an offering of true value
- 7:53 **Simmontemplar:** likewise Pi !!
- 7:54 **Susankester:** I like this as my family too!
- 7:54 **Hawklady:** Susan, Thanksgiving at your house?
- 7:56 **Piandjo:** Amen, Jim.
- 7:57 **Simmontemplar:** this meal chapter is the hor d' oeuvres for the next one
- 7:57 **Lost_horizon:** Well, there you go, Jim - "it is for the higher"
- 7:59 **Simmontemplar:** very right on comment by the lady in the audience
- 8:00 **Jim_h:** MA's comment
- 8:01 **Simmontemplar:** ahhh ! ... MA thanks Jim

- 8:01 **Hawklady**: I don't know about that MA!!!!
» for me anyway
- 8:02 **Piandjo**: We can be grateful for the pot in which we cooked, while feeling equally grateful for having graduated to a more loving space that experience brought us to.
- 8:02 **Simmontemplar**: yes PI, very "Yess"

- 8:06 **Simmontemplar**: true Susy !!
- 8:07 **Hawklady**: yes, then it's my house
- 8:07 **Piandjo**: A desire we all share, I strongly suspect, Susan.
- 8:07 **Simmontemplar**: I believe that that even will happen in the future; we shall get all together once
- 8:07 **Pathworld**: skype thru computer is free
- 8:09 **Simmontemplar**: Skype can not hold too many people
» in the video
- 8:09 **Jim_h**: I can call in
- 8:09 **Simmontemplar**: neither the call
- 8:10 **Lost_horizon**: Simmon - how many in a Skype audio conference?
» (maximum - if you know)
- 8:10 **Simmontemplar**: you can not push more than 5 people; after that the line begins to fail
» on and off; not good
- 8:10 **Lost_horizon**: ok - thank you

» in Skype
