- 7:25 [Pathworld](#): for me a very moving experience/yet in the beginning of the group i thought we weren't ready but we became one
- 7:26 [Hawklady](#): I felt before my group meet, we were all over the place, but when we all meet, there was an intensity brought to the table which helped us to go further before the next meeting
- 7:27 [Majickphoenix](#): hi lost.
- 7:28 [Piandjo](#): Hawklady, ...wherever two or three are gathered in my name, Shekinah is their canopy.
- 7:33 [Majickphoenix](#): it's not learned but 'gathered' embodied

  - » 'the hidden part'
  - » I make the cautious suggestion that more is 'hidden' that what exactly appears to be hidden
  - » than
  - » than what

» ie; there is hidden and there is HIDDEN

» the majickal world is so impressive and so all encompassing that it is overwhelming
