 - Welcome to the chat room!
- [Pathworld](#): it always looks so cold there everyone in coats and sweaters
- [Simmontemplar](#): Sorry, you know that if I stop their advertising which interrupts our transmission for 4 minutes (the advertising 4 min. !!!) that is why the sound starts; because I cut their advertising which last 4 and a half min.
- [Lost horizon](#): Hello, all
 - » (Chrome for streaming, Firefox for other stuff)

- [Silverdale](#): Simmon ... don't you get an opportunity to skip the add?
- [Simmontemplar](#): That's really top drawer technique
 - » Yes, but because I skip the ad the sound begins

 - » They want me to suck the ad completely

- [Markcirka](#): there is a download called "better justintv" for google chrome and maybe firefox -- erases most or all of the ads if thats your problem

- 8:05 [Pathworld](#): thank you all. it was wonderful

- 8:05 [Piandjo](#): wow
- 8:05 [Susankester](#): Thank you for the beautiful invocation, I couldn't hear a lot of the presentation but definitely felt the energy of Zackeil.

- 8:08 [Markroche](#): felt comforting, caring, pleasantly otherworldly, soothing, protected
- 8:15 [Piandjo](#): When a personage of the magnitude of Zadkiel rolls into our invocational space, technical issues fade away.
- 8:18 [Hapimist](#): the intent expressed belies novices I think
- 8:21 [Markroche](#): Angels keep late hours
