[Rocky](#) This happened to me - after illness I was afraid, confused and overwhelmed. The marker was falling into sleep - I had a yearning to regain what I had lost and came back

[Rocky](#) With yearning my presence wishes to comfort thee

[Rocky](#) Thee

[Piandjo](#) buffeting--being tossed between joy and sadness--seems to be my marker. I won't try aggression. I won't try aggression. I won't sleep. I won't be attracted or repelled.

[Simmon Templar](#) that is the "shock" alarm clock, to bring out front this....Beloved

[Simmon Templar](#) from what David described

[Piandjo](#) If our mission is the reintegration of all the sparks of Divinity, then we must see them in everyone, and then their inclusion joins me as well. Some Christian writers call this the Atonement.

[Simmon Templar](#) I am with you H - glad you brought it up
